-

Rules & Guidelines

Choose the right material: Select a piece of material that showcases your strengths and highlights your unique talents. Whether it's singing, dancing, or performing a comedy routine, make sure you feel confident and comfortable with your selection.

- You will have **8 minutes** for setting up **and** your audition.
- Bring what you **need** for your audition, we can help provide *some things*, please communicate with us if **we** need to **help with anything**.
- For **Grades 6-12**
- It will be an audition, you will need to pass the audition in order to perform at the Talent Show.

Here are some tips:

1. Practice, practice, practice: Spend plenty of time rehearsing your performance to ensure that you're polished and well-prepared. You may want to record yourself practicing to get feedback on areas that need improvement.
2. Bring everything you need: Make a checklist of all the things you'll need for your audition, such as props, costumes, and music. Double-check that you have everything before you leave home.
3. Arrive early: Plan to arrive at the audition location with plenty of time to spare. This will give you time to check in, warm up, and mentally prepare for your performance.
4. Follow the instructions: When you arrive at the audition, listen carefully to any instructions from the organizers. They may give you specific guidelines for setting up your performance space, for example.
5. Be respectful and professional: Show respect to the audition panel and other contestants by being polite, courteous, and professional. Be prepared to wait patiently for your turn to perform.
6. Stick to the time limit: Respect the time limit that has been allocated for your audition. Make sure your performance fits within your allotted time and don't go over.
7. Give it your all: Finally, give it your all when it's time to perform. Show your passion, energy, and enthusiasm, and leave everything on the stage.

By following these rules and tips, you'll be well-prepared for your talent show audition and increase your chances of success. Good luck!
