

CHILDHOOD

CANCER AWARENESS MONTH

@ CTK DIOCESAN SCHOOLS

In an effort to raise awareness about childhood cancer and support one of our own CTK students, 3rd grader Cooper Drake, who is currently fighting his battle against leukemia, we have several activities and events planned for the month of September:

Fridays during September - highlight & pray for a local child in the Lubbock community who has cancer

9/21-9/23 - CTK Athletics will host **GOLD OUT** games at home & invite fans to wear gold or if playing away, wear gold bands for awareness.

Friday, 9/22 - Childhood Cancer Awareness Day at CTK - students, faculty & staff are invited to wear Cooper Drake Strong shirts or gold shirts with jeans. First Pep Rally of the year will be at 2:30pm in the CTK Gym!

Warmth Drive

sponsored by NJHS/NHS

Donate a new cap, beanie, scarf or small throw based on student's age to be given to pediatric/young adult cancer patients.
