

Spring 2024

Dear Prospective Christ the King Diocesan High School Family,

On behalf of our faculty and staff, I would like to take this opportunity to thank you for selecting Christ the King Diocesan High School as your school of choice. The faculty and staff of Christ the King Diocesan High School recognizes and acknowledges that families are the lifeblood of our school community. We are thankful for the opportunity to partner with you in the education and faith formation of your child(ren) this coming school year.

With a tradition of excellence in Catholic education for over 65 years, our faculty and staff are committed to providing strong academic and developmental programs which enable children to achieve their full potential. We empower students to meet the challenges of an ever-changing world. We strive to help students encounter the living Christ each day through friendships, academic life, athletics, and spiritual life.

We offer several discounts to help lower the overall cost of tuition. Please read the following list carefully. Discounts include the stipulations that you and your student(s) will follow the guidelines outlined in the Parent/Student Handbook at all times, will fulfill at least the minimum number of volunteer hours, and you sell or buy all of your required tickets for the Home & School Association's annual raffle.

- “Active Parishioner” Discount: *An active parishioner is one who is registered with a parish within the Catholic Diocese of Lubbock, attends Mass faithfully, and supports the life of your parish through involvement and identifiable financial contributions.* To receive a parish discount, please submit a parish verification form signed by your parish priest no later than 6/15/24, or prior to your student's first day of school, whichever is sooner. This form can be found on the school website.
- Limited financial aid is available for students entering 9th through 12th grades by submitting a completed application. This year we are pleased to once again offer two financial aid opportunities – our traditional school financial aid program and the ACE Scholarship program, a third party foundation that we began partnering with last year. Both applications can be completed at the same time by submitting all required information in the FACTS Financial Aid & Grant system **no later than Monday, 4/15/24**, for consideration. Students must be pre-enrolled for the 2024-2025 school year before being considered for financial aid. ACE Scholarships applications are not accepted past the application deadline. Awards for late applications for traditional school financial aid will be dependent on the availability of funds after the April deadline. All financial aid recipients are notified of awards by email before the end of June.
- Please read the enrollment information carefully. Your student's enrollment process must be completed in its entirety online via our FACTS Family Portal system.

Since the actual cost to educate each student is greater than paid tuition, we rely on parents' help to bridge that financial gap each year with your support in completing service hours, selling raffle tickets, participating in Fall Festival needs, attending the Friends of the Foundation Gala and other fundraisers.

Our goal is –and always has been– to provide the highest quality of education for your child/ren. If you have any questions regarding your student's enrollment for 2024-2025, please feel free to contact the school office.

Sincerely in Christ,

Alicea A. Chaloupka, Ph.D.
Head of Schools
