## **Ending the School Year With Grace**

Lord and Teacher,  
Bless all at this school  
As we seek to end our year  
With the grace you so generously provide.

We give thanks for the students  
And the faculty, the staff,  
And all who have contributed  
To this year of nurturing and growth.

We affirm all the positive moments,  
Of insight, of the excitement of learning,  
Of accomplishment, of creativity,  
Of laughter, of a sense of community.

We recognize the times of struggle,  
Of difficult work, of misunderstanding,  
Even of failure—we give these  
To you for transformation,  
So they can become seeds  
That will find fertile soil.

As we head into the summer,  
May we take with us  
The knowledge that  
You will keep us all  
In your embrace so

We may rest and be restored  
And so we can continue in  
The ongoing discovery  
of your Love.
